ÚLOHA 2

Read the text. (Prečítaj si text.)

My name is Joseph. I'm chef in a restaurant. This is how I spend my day.

I start work at seven o'clock in the morning. My first job is to do the shopping. I go to the market very early and I choose the best fruit, vegetables, meat and fish for the day's menu.

I only cook dinners because another chef cooks lunches. After the market, I go home and relax. I have lunch at home, and after that I go back to the restaurant. We look at the food I bought at the market and decide what I'm going to cook with it. Then I write the evening's menu on the blackboard. There are usually some salads on the menu and there's always a vegetable dish because some people don't eat meat. In the afternoon, before the restaurant opens, we make the soup and cut and prepare all the vegetables.

The restaurant opens for dinner at seven o'clock and closes at half past eleven. I cook all evening, but I don't clean or wash up. I usually go home at about midnight, but if there are a lot of customers, I sometimes leave at half past twelve.
